

Web Conferencing

Venture's secure Web Conferencing solutions are scalable to fit your needs, from an occasional one-to-one meeting to frequent webinars or events with thousands of participants.

Whether you're holding a brainstorming session or making a presentation, turning your online meeting into a virtual video conference helps everyone focus on every word. Our conferencing solutions include high-definition or high-quality video for an unparalleled visual experience.

- ✓ Collaborate using face-to-face video on nearly any internet-enabled device
- ✓ Combine desktop sharing, audio, and high-quality video for real-time collaboration and content sharing
- ✓ Take any web meeting or presentation mobile
- ✓ Collaborate securely and professionally

Use Web Conferencing for a rich collaboration meeting experience

- ✓ Hold a webinar or press conference
- ✓ Demonstrate a product
- ✓ Make a sales presentation
- ✓ Conduct online training
- ✓ Provide remote support
- ✓ Collaborate on designs and projects

V-Pledge: You can count on Venture Technologies to listen and understand your unique needs and to design solutions that align with your business objectives. We pledge only to make commitments that we can keep and to deliver IT solutions on-time and within budget through our highly-skilled, resourceful staff. At Venture, common sense, reason and fairness frame our relationship with everyone we serve. It all comes down to treating you the way we would like to be treated – with respect and integrity.
